

ML-1660

Personal Mono Laser Printer

A compact laser printer with great convenience, the ML-1660. With its ultra compact elegant design, there's space for this little beauty anywhere. Clever built-in features like One Touch printing make the ML-1660 smart, as well as easy to look at. The ML-1660's low noise level, rapid print speed, and easy power button assure maximum convenience. With the Samsung ML-1660 printer, sometimes the best things in life do come in the small packages.

Key Benefits:

1. **Small footprint...** giving you more work space.
2. **One touch printing...** print screen button on the operator panel prints exactly what you see on the screen.
3. **Just print what captures your eye...** using anyweb print software, be selective and drag & drop the content you want to a printable scrapboard in your web browser window.
